

INSPIRATION AWARD WINNER!

Sister Celine Goessl was honored at the Franciscan Federation Annual Conference in Buffalo, New York. Honorees were selected based on how they reflect Bonaventure's role as a Franciscan educator. The qualities identified were: A Franciscan who embodies the best of our teaching tradition; someone who, in the ministry, embodies the values of being incarnational, personal, communal, transformative, engaging the heart and developing servant-leaders. Leadership of the Holy Cross Sisters selected Sister Celine to receive this award based on her work in educating young and old about the dangers and consequences of human trafficking. Sister Pat Cormack, provincial for the USA Province accompanied Sister Celine to the conference.
