

# FAME GRANTS AWARDED

The Holy Cross Sisters have had a presence in classrooms that dates back to 1934 when they accepted a request from the Archbishop of Cincinnati to staff St. John the Evangelist School in Deer Park, Ohio.

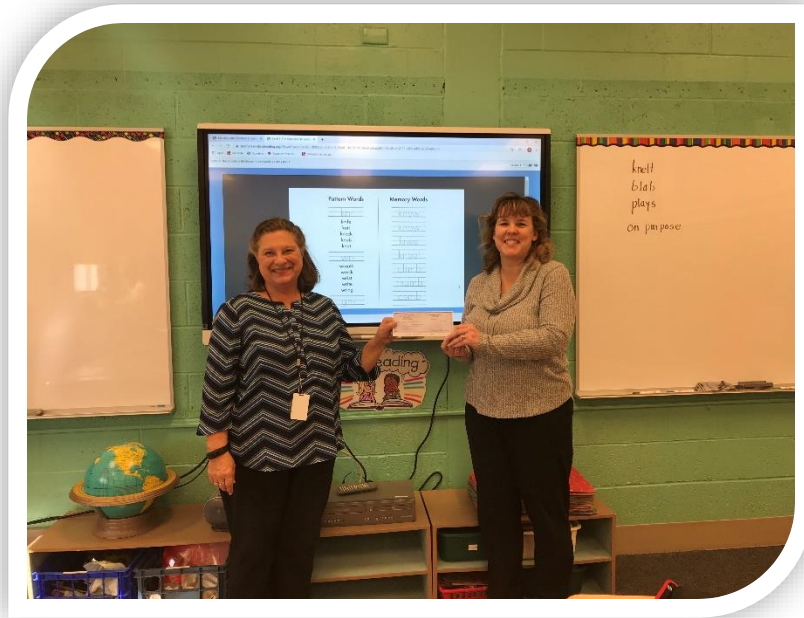

Although they no longer have a presence in the classroom, they have not stopped supporting Catholic education. Through a FAME (Formation and Enablement) Grant, six elementary schools were recognized during Catholic Schools Week, January 26 through February 1. The schools each received a \$500 grant to help support the core values of their schools.

This year's recipients included St. Benedict the Moor School, New Orleans; St. Francis Xavier School, Merrill, WI; Our Lady of the Lake School, Ashland, WI; Newman Catholic Schools, Wausau, WI; All Saints Catholic School, Antigo, WI; Nativity of Our Lord School Rhinelander, WI.
