

Holy Cross Associates Donate to St. Vincent de Paul Society

The Holy Cross Associates presented a check for over \$600 to St. Vincent de Paul Society of Merrill. The money was raised by the associates selling homemade candy at the Bell Tower Residence Craft Fair last November. Pictured l-r. The Holy Cross Associates are a group of Christian women and men who fulfill their baptismal call by following the charism of the Sisters of Mercy of the Holy Cross. They are drawn to working with the poor in areas around the country, and wherever needed; feeding the hungry; caring for the earth; and living out a commitment of prayer and simplicity. They support the many ministries of the Holy Cross Sisters and work together with them to accomplish works of mercy.
